Manual 1

The particulars of Dholera International Airport Company Ltd (DIACL)'s Functions

DFC and DMIC are historic initiatives of the Government of India with support from Government of Japan and are expected to change the economic profile of the country. It is envisaged to create globally benchmarked infrastructure facilities in the DMIC including Aviation Infrastructure.

The existing International Airport of Ahmedabad is witnessing unprecedented growth in passenger traffic and has reached to 9.2 Million in the year 2017-18. Due to and constraint, the expansion of existing international airport at Ahmedabad is difficult and thus the Airport is expected to reach its capacity by 2025. Considering this and visualizing the scale and scope of the development and economic activities in upcoming Dholera SIR, a world class modern Greenfield International Airport is viewed as an essential infrastructure requirement.

The proposed Dholera Airport project is conceived and planned by the State Government of Gujarat to serve the logistic requirement of upcoming Dholera SIR besides handling the spill over traffic from the existing Ahmedabad Airport in future. Dholera airport location is ideally placed to serve the nearby cities of the state and will propel an Airport led economic growth in the entire region in line with other Aerotropolis worldwide.

The proposed airport project is declared as an early bird project jointly by Department of Industrial Policy & Promotion, DMICDC and Government of Gujarat.

Vide GR No. SPV/112010/521231/I, I&M Department dated 1/1/2011 Government of Gujarat formed an SPV viz. Dholera International Airport Company Ltd. (DAICL) with Authorized capital of Rs.200 Cr and paid up capital of Rs 10 Crore to facilitate the Airport project. DIACL obtained the Certificate of Incorporation dtd 20/1/2012 and Certificate of Commencement of Business dtd 09/2/2012.

The objectives and main functions of the company

DIACL has been formed to undertake the proposed Greenfield International Airport project. DIACL would obtain necessary approvals, clearances from State/Central Govt. and will carry out required basic ground work for the proposed Airport project.

DIACL in addition to obtaining approvals from GoI, it will coordinate with different State departments for meeting the ground requirements & basic infrastructure like water, electricity, road, rail connectivity etc. The proposed Airport project will be developed as per the Greenfield Airport Policy, 2008 of Government of India.

In 2016, DMICDC has appointed M/s PricewaterhouseCoopers as a Transaction Advisor of the project. AAI has in-principally agreed for the equity participation in Dholera Airport Project. Govt. of Gujarat has submitted the final DPR to AAI on 07/09/2018. The same is under due diligence of AAI.

Besides above, following are the main objectives of the Company mentioned in its Memorandum of Association.

1. To promote, plan, design, finance, develop, construct, alter, repair, set up, commission, operate, market, manage and maintain an airport including International Airport, Heliport, relevant airside development, airport infrastructure and facilities subject to the guidelines prescribed by the regulating authorities in India and abroad along with all modern facilities for domestic and international flights operated by Indian and foreign airlines and all other related, allied and ancillary activities and facilities such as runways, terminals for passenger and cargo, passenger amenities, aero-bridges, control systems, flight kitchens, shopping areas, fire stations, parking and fuel hydrants, maintenance-repair-overhauling facilities (MRO), communication-navigation-surveillance facilities (CNS facilities) either alone or jointly with any other company(ies), Central Government, State Government(s), local body(ies), statutory entity(ies) or persons or any organization of any nature or form whether in India or abroad.
2. To own, hire, lease, operate aircraft of any description for operation in India and/or abroad as air taxis, to provide repair, servicing, engine overhauling, on-line maintenance bays for providing such services to all types of aircraft including wide bodies turbojets, helicopters, turbo propellers either alone or jointly with any other company(ies), Central Government, State Government(s), local body(ies), statutory entity(ies) or persons or any organization of any nature or form whether in India or abroad.
3. To promote and/or finance, plan, design, finance, develop, construct, alter, repair, set up, commission, operate, market, manage and maintain city side development, residential, commercial, tourism and transport infrastructure of all descriptions as warranted by circumstances and in the manner beneficial to the interest of the company such as hotels, restaurants, golf-courses, conventions and exhibition facilities, commercial complexes, information-technology parks, booking offices and warehouses, railway links, mass rapid transit systems, air-linkages and road linkages, either alone or jointly with any other company(ies), Central Government, State Government(s), local body(ies), statutory entity(ies) or persons or any organization of any nature or form whether in India or abroad.
